

Did you know that when our founding fathers wrote the U.S. Constitution, they provided for a system of bankruptcy relief before they addressed even freedom of religion or freedom of speech...

In fact, idea of Bankruptcy dates back at least 2,000 years, to the Old Testament of the Bible, please see Deuteronomy 15:1

"At the end of every seven years you shall grant a remission of debts."

(New American Standard Bible)

"At the end of every seven years thou shalt make a release."

(King James Bible - Cambridge Ed.)

There is no shame in having to file for bankruptcy protection, it is here for a reason. You already know about the famous bankruptcies, like Donald Trump, Walt Disney, Henry Ford, Mike Tyson & lots of others...

Do not let the creditors take advantage of you, get an attorney.
